

East Pen Pal Program Grant Reflection

Summary of Project: The project was a grant-funded initiative to support the East Pen Pal Program. The goal was to provide a platform for students to communicate with their pen pals and share their experiences. The project was implemented over a period of six months, during which time a dedicated website was developed and maintained. The website provided a secure and user-friendly environment for students to send and receive letters. The project was a success, as it allowed students to build meaningful relationships and gain a deeper understanding of their pen pals' lives. The project was funded by a grant from the East Pen Pal Program, and the funds were used to cover the costs of the website and other related expenses. The project was a valuable experience for all involved, and it demonstrated the power of technology to connect people from different parts of the world.
