## Motor Vehicle Record Renewal and New Approvals for SA Vans

Those who have their Motor Vehicle Record (MVR) on file with Wilson Commons Student Activities will need to renew it yearly. The process for the Driver MVR renewal and new approval must be completed before a vehicle can be reserved. This process takes approximately one week to complete, so be sure to plan ahead! Here are the steps you will need to take:

1. Sign a University safety packet and waiver.
2. Meet the licensing requirements, including the following:
  1. Be 18 years of age
  2. Have one year unrestricted driving history
  3. Have NO points on your license
  4. Have NO cell phone, DUI, DWI, scoff law, or uninsured motorist citations
3. Bring a copy of your license and payment to cover state fees.

Please see Beverly Buscemi, Coordinator of Transportation and Ticket Sales, in Wilson Commons Room 101-I to complete this process.

## CCC Monthly Tip

To better understand the following:

1. **Invite people:** This allows you to invite people to your group with individual or batches of email addresses. If you do a batch, separate each email address with a comma or new line. You may invite up to 500 users at a time.
2. **Current User Tab:** This lists all current users; these users can be deleted, messaged directly, or edit the positions of individual members. (Note: members may hold more than one position)
3. **Pending User Tab:** This lists all users who have applied for membership and are awaiting action. You may delete their request, re-send an invitation or approve their pending membership.
4. **Prospective User Tab:** This lists all prospective members and works much like the Pending User Tab. You may delete their request, re-send an invitation or approve their pending membership.
