March Leadership Luncheon-

Topic: Make Wise Decisions: Avoiding Hidden Traps

Time: 12:45-1:45pm

Evidence suggests that we are not as good at decision making as we believe ourselves to be. This is because we often rely on heuristics and intuition when making decisions, which can be subject to biases and lead to errors in judgment. In this luncheon, Drs. CCC Monthly Tip

After a few hiccups, CCC finally has a brand-new messaging system! Within your org's page, select "Roster", then "Messaging". You will see any messages sent through the new system - these are called "relays". Select "Create Relay" and follow the instructions to choose any combination of positions and individuals within your organization who will be in the relay (HINT: To reach everyone, select "Member" from the "Positions" list). Give the relay a title - this is NOT the email subject - and press "Generate". CCC will now provide you with a temporary relay address. If you send an email to this address, it will reach everyone you included in your relay.
