CCC Monthly Tip
Tracking service hours on CCC just got easier! Click on the "Service Hours" tab of your student organization to begin. As an officer, you can click on the gray "MANAGE SERVICE HOURS" button, and then the blue "+ ADD SERVICE HOURS" button on the next page. Following this process, you will be able to add service hours for any member of your organization. It is recommended that you delegate the responsibility of adding and approving service hours to one officer to streamline the process.
