March 2021

Yay - Student Leaders, we made it through February as we hope that March brings warmer weather! With the help from a wonderful donor, we are able to offer more ways to take advantage of the outdoors. Check out our new [snowshoes](#) at Common Connection, reserve time for a [practice/rehearsal](#) or [event](#) in the new tent, or sit under the pretty lights on Graham Smith Plaza.

We know the struggle is real, so please be sure to check out the [Making Connections](#) website to see a full array of helpful resources. The hive thrives when we work together!

Virtual EMS Contact & Advanced Reservations

As we look into the advance reservation process for the Fall 2021 semester, we would like to take this time to have all Student Organizations start thinking about who their Virtual EMS contact might be. We recognize many Organizations will not know who their contact will be until elections are held,

As a reminder, once your event is submitted, you will not be able to make any edits until after it has been approved. If you need to make edits while your event is "Pending Approval" please let your advisor know in the chat.

If you are submitting for a weekly or bi-weekly General Member Meeting, you should only create the first meeting and then indicate in the form that the event will be recurring. WCSA will ensure the event is set up to correctly repeat for the semester.

Rehearsal & Practice Reminders

As a reminder, all members are required to be in compliance with all COVID guidelines. Student Organizations may have different guidelines based on the type of activity. If you have questions regarding these guidelines, please contact your Organization's primary advisor.

Additionally, all event attendees must be checked in using event check-in through CCC; as well as Dr. ChatBot verified. To be Dr. ChatBot verified, attendees must show their green checkmark provided after completing that day's daily health screening.

This publication is brought to you by Wilson Commons Student Activities: The Student Organization Insider is WCSA's monthly e-newsletter for student organization executive boards and advisors. The Student Organization Insider (SOI) is intended to keep student leaders informed on opportunities and updates from their areas of advisement: Students' Association, Athletics, the Interfaith Chapel, Fraternity and Sorority Affairs, Residential Life, Center for Community Engagement, the Hajim School, and Wilson Commons Student Activities. The SOI will not focus on information available to students through The Report or Weekend Highlights, and it will not be used to advertise student organization events. Instead, this newsletter is a unique and specialized publication with information and opportunities that are relevant to you as student leaders.
