

April 2021

Dear Student Leaders,

I am so proud of how you all have managed to alter your operations in order to be successful under COVID restrictions. I look forward to all of the creative programs you have planned for the upcoming fall semester!

One of the first major programs we put on last spring, when COVID-19 first hit our campus, was the QuadFox 5K. This virtual event was an opportunity for members of our community to join together even though we were apart. The event was so successful, we won an award from the Association of College Unions International (ACUI), and recently launched registration for our second QuadFox 5K. All members of the University community are encouraged to walk, run, or jog their way to the finish line by the end of April. Everyone who completes and enters their time will receive a free commemorative t-shirt. This can be a great bonding event for your current members and alumni to all do together - even if they are all over the world. [Register here](#) - we hope you join us!

Thank you all for your continued good efforts in protecting the hive!
Anne-Marie Algier, Associate Dean of Students
