

1. If there is information about your organization that the questions you answered previously do not address, or if there is information you would like to expand upon that should be considered during the evaluation process, please explain here:

This section of the self-report focuses on collecting information that the Students' Association, Interfaith Chapel, and Wilson Commons Student Activities will use to better serve you in the future. This section is NOT evaluated as part of an Organization's self-report.

1. How can Wilson Commons Student Activities and/or Students' Association Government better support your organization? (required)
2. How can we enable your organization or individuals on campus to feel more included, accepted, and represented?
3. Describe how your organization's members gain a sense of belonging by being a part of your organization:
4. Describe one goal that your organization would like to achieve between January 2024 and October 2024: (required)

5. Did your organization utilize the Supply and Resource Request form this year? (required)

- i. What has your organization's experience been with the Supply and Resource Request Form?
- ii. What resources would you like to see added, if any?

- i. Our organization did not know this form existed.
- ii. Our organization does not use the supplies/resources provided through this form.

iii. Form is too challenging to use.
 Other: I will leave my notes in the comment if _____ year?

9. Please provide any comments regarding y
